October 24, 2007

Dear Chancellors Goldstein and Klein,

I share the same concerns over the closing of the Julia Richmond Education Complex as expressed by my Assembly and Senate colleagues in the enclosed letter. The Complex has achieved several important educational goals that the Legislature has identified for New York City schools. Relocating the schools from Julia Richmond would be a setback to that progress. As the Chair of the Assembly Education Committee, I object to the proposed closing and urge you to assist Hunter College in finding an alternative site.

Sincerely,

Catherine Nolan
